Sir,

In reply to your No. 10377/Ex: 325-, dated the 29th May 1896, I have the honor to state that the fall in the Arrack rental for 1896-97, is in the Mugulgere circle of the Shikarpur Taluk. This is evidently due to the decrease of Arrack consumption in it during the current year, the consumption during the past nine months having fallen off by 273 gallons. The Deputy Commissioner has been requested to report the cause thereof.
